

What to send with your mortgage application

Please see our handy 'What to Send' guide below that outlines what supporting information we require once you have submitted your application online. Please use our Document Upload service to return the Declaration, Direct Debit Mandate & all other supporting information that applies in the guide below or that we have specifically requested as quickly as possible.

This guide is just to help you; we don't need to see a copy but feel free to use a checklist.

Your dedicated case owner will contact you to outline what we need but to really speed up your application you do not have to wait until we have contacted you as we will assess all supporting information you have uploaded during our initial assessment. This will really help us getting your client's offer to all parties as soon as possible.
